

*“Twice as good, in half the time, for half  
as much”*

Conclusions...

## Conclusions

- Many opportunities to provide Better, Faster, and Cheaper services to citizens
  - GIS (location intelligence) is moving with technology – we've seen the transition from online mapping, to embrace:
    - Hosted
    - Mobile
    - Smart searching
    - What's next for location intelligence?
-

## Thank you

- Presenters:
    - Sally Newton and Francis Corbett (LL&T)
    - Mark Brooks (West Lothian DC)
    - Ronan McGarry (Ordnance Survey)
    - Keith MacBean (Inverclyde Council)
    - Gary Randle/ Simon Parker, Cadcorp
  
  - To you
-

*“Twice as good, in half the time, for half  
as much”*
